

Allow ELL's to See and Explore Mathematics Using Geometer's Sketchpad

MELL 2009

Tina L. Vega, M.S.

Mathematics Teacher

James Madison High School

<http://tw.neisd.net/webpages/tvega/>

tvega@neisd.net

- 1) *Teaching concepts: Make your own like "Fly Plane" and Lesson Link Presentation Sketches*
- 2) *Student Discovery*

Use ready made activities:

"Exploring Geometry" book by Key Curriculum Press

New: Lesson Link from Key online

<http://keyonline.keypress.com/home>

Slopes of Parallel and Perpendicular Lines

Dissection Demonstration of the Pythagorean Theorem

Coordinates: The Fly on the Ceiling

- 3) *Assessment: Pinwheel*
